## 2020 Thanksgiving Blessings Bags

Dear Neighborhood Grocer,

We will once again be providing a bag filled with Thanksgiving groceries to families in need this year.

I will be purchasing the dry food goods to fill the bag for each family at your store.

However, we are in need of Gift Cards for the family to purchase the meat of their choice since we do not have a freezer to store frozen turkeys and hams at our facilities.

We are asking for \_\_\_ \$25 gift card(s) to provide families in need with a delicious Thanksgiving meal, which would not be possible without your support.

Thank you for your consideration and I look forward to partnering with you to make Thanksgiving memorable for the families we will be serving.

Your friend,
