The Overflowing Life

A close-up photograph of water being poured into a wooden bucket. The water is captured in mid-air, creating a dynamic splash as it hits the water already in the bucket. The bucket is made of dark wood and has metal hardware visible on its rim. The background is a soft, out-of-focus green field, suggesting an outdoor setting. The overall mood is fresh and natural.

Ephesians 3:14-19

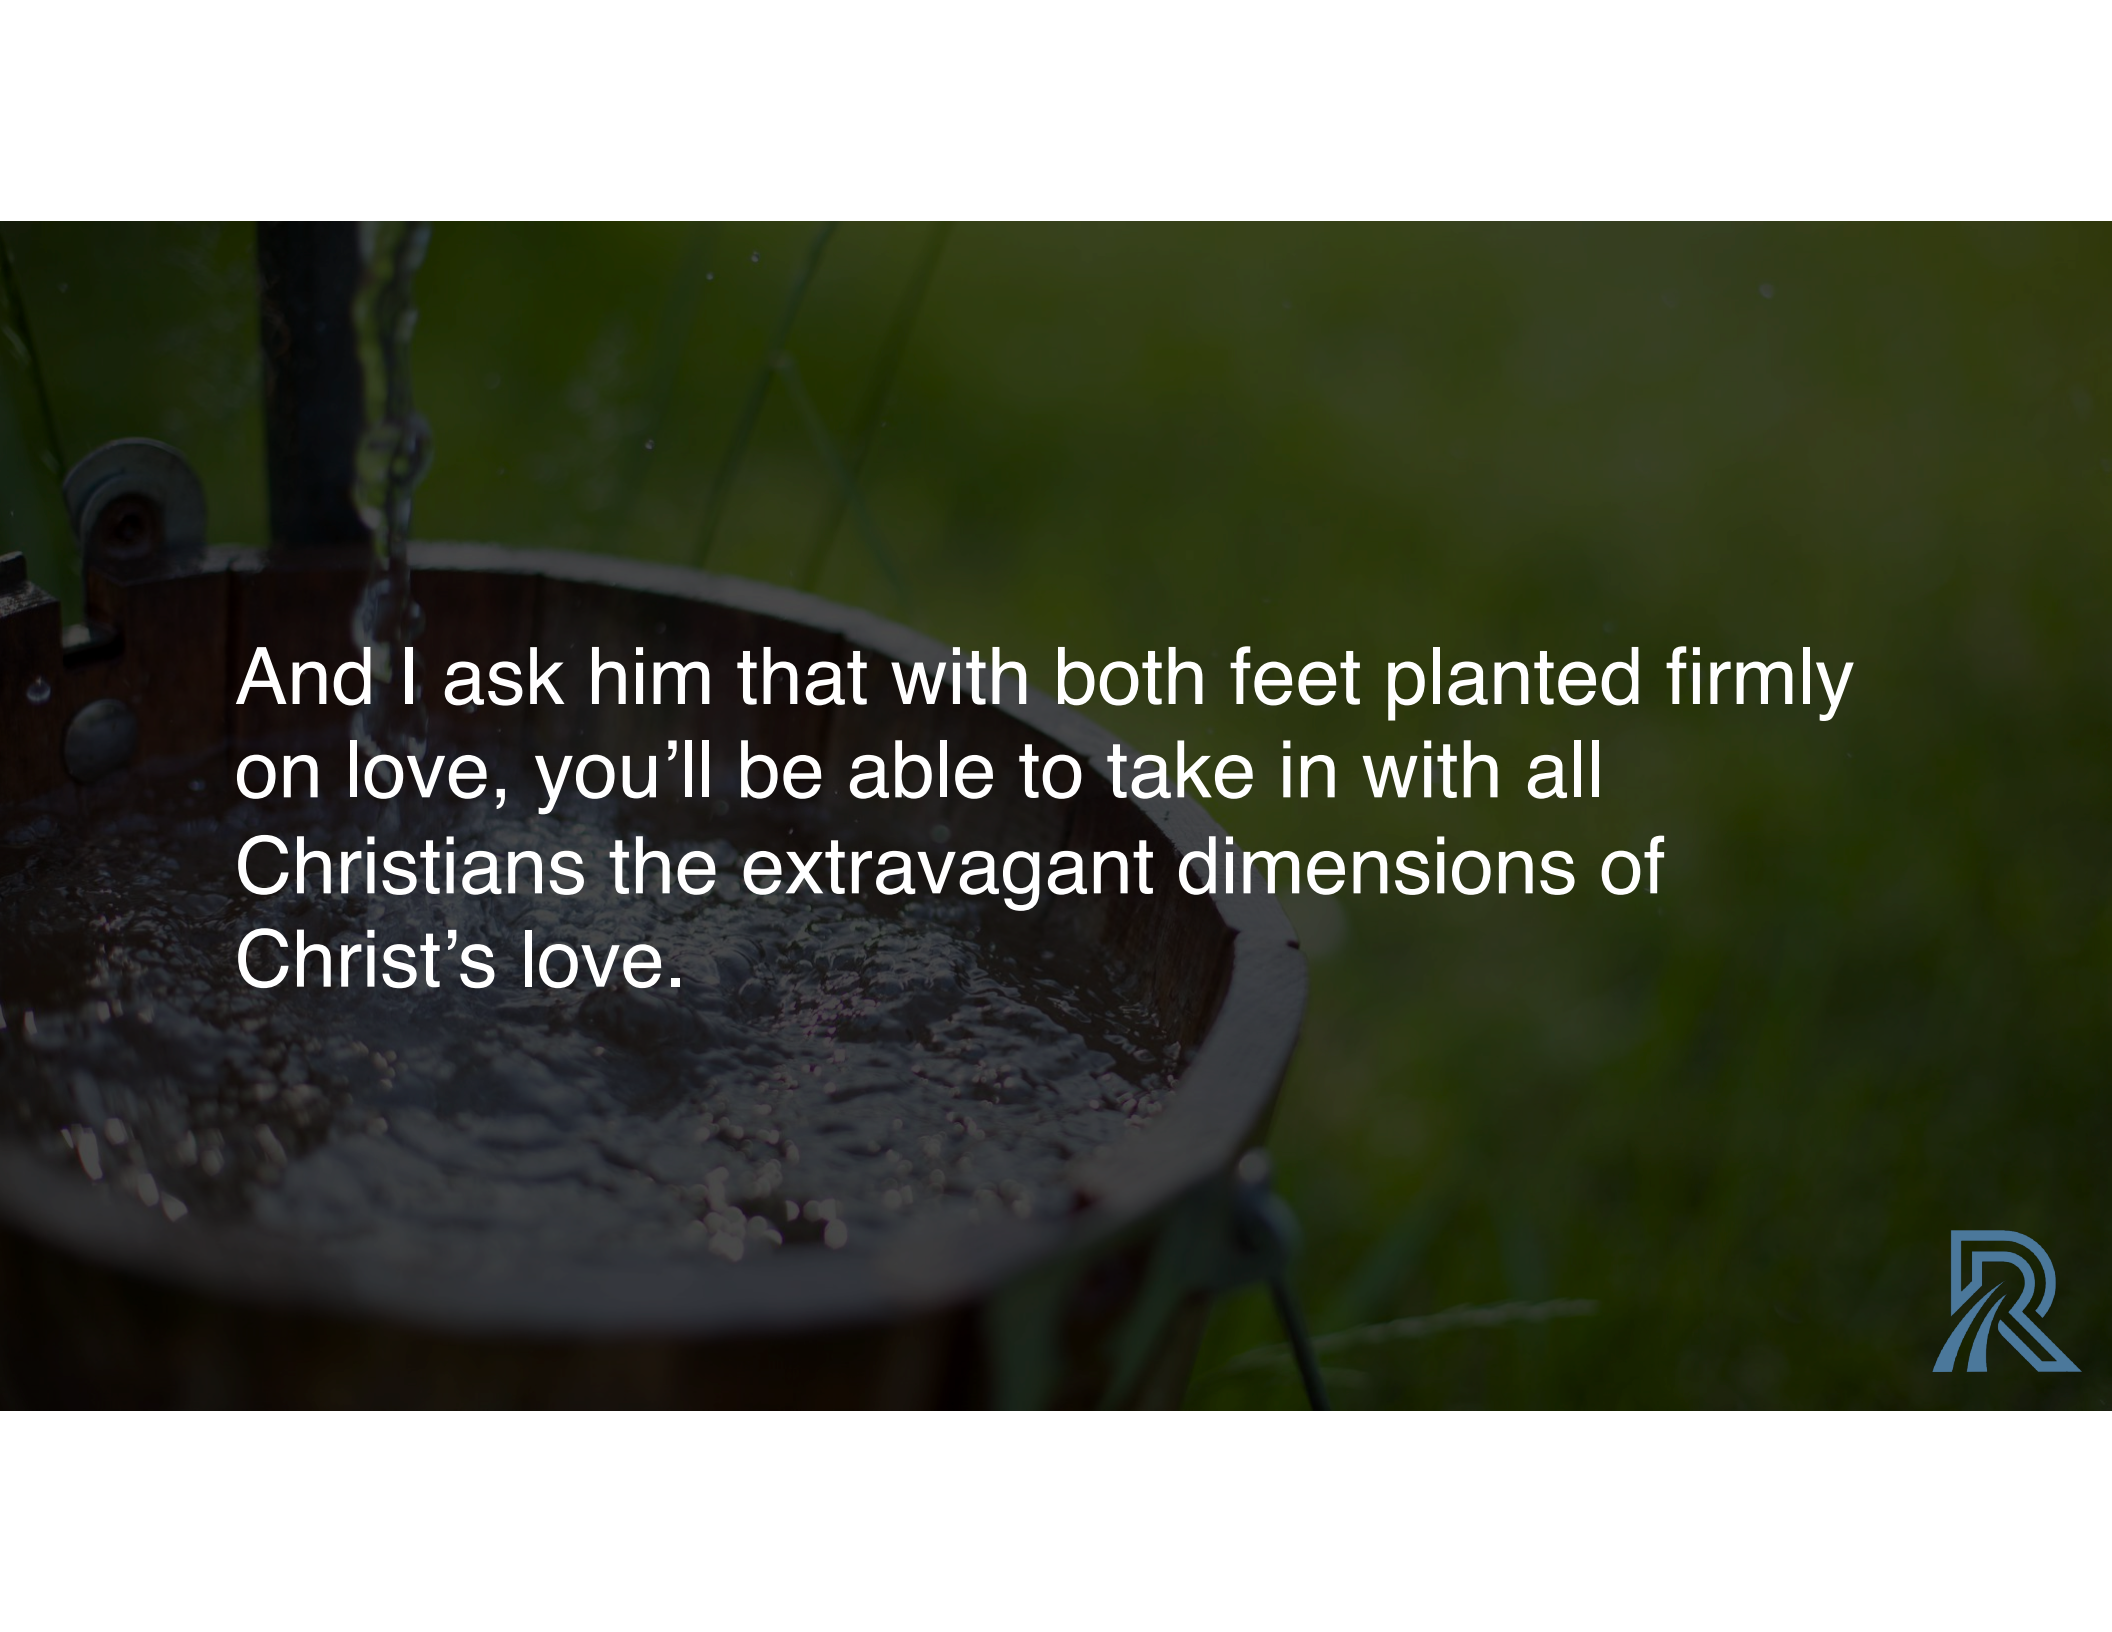

and may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love really is. May you experience the love of Christ, though it is so great you will never fully understand it. Then you will be filled with the fullness of life and power that comes from God.

...Then you will be filled with the
fullness of life and power that
comes from God.

And I ask him that with both feet planted firmly on love, you'll be able to take in with all Christians the extravagant dimensions of Christ's love.
