**Chrysolite**

A large, faceted yellow beryl gemstone is shown in a close-up view. The stone is cut in a round brilliant style, featuring numerous facets that create a complex pattern of light and shadow. The color is a vibrant yellow, and the facets are clearly defined. The word "Beryl" is overlaid in the center of the stone in a bold, blue, sans-serif font.

A large, faceted amethyst gemstone is the central focus of the image. The stone is cut in a classic brilliant style, featuring numerous facets that create a complex pattern of light and shadow. The color is a deep, rich purple, with some facets reflecting a lighter, almost white light, while others are in deep shadow. The word "AMETHYST" is overlaid in the center of the stone in a bold, white, sans-serif font. The background is a plain, light color, which makes the vibrant purple of the gemstone stand out.
